About This Game

While we are sleeping, we visit the most different places and live the most exciting experiences: everything feels vivid and realistic. Dream UniVRse is a small indie collection of minigames set entirely in the dream world, every dream you visit presents you a new challenge to understand and complete in a few seconds.

It is the perfect game to show you and your friends the many possibilities of VR!

Features

- Play many different exciting minigames, but don't lose yourself: the clock is always ticking!
- Use every part of your body, the games are designed to show you the full potential of HTC Vive or Oculus Rift (with Touch Controllers)!
- Save the dream world in the **story mode!** (Not available in the demo)
- Get the highest score with just three lives in the **arcade mode!**
